Australian Junior Surfing Titles

SURFING AUSTRALIA

MARGARET RIVER, WA | NOVEMBER 30 – DECEMBER 8, 2026

Welcome

On behalf of the Shire of Augusta Margaret River, I'm delighted to welcome Australia's best junior surfers, along with their families, supporters, volunteers and officials to Wadandi Boodja for the 2026 Australian Junior Surfing Titles.

We're proud to support Surfing WA host Surfing Australia's premier junior surfing event through our Major Events Grants Program to give the country's most talented young surfers the opportunity to compete at the same break used during the prestigious Western Australia Margaret River Pro.

Hosting the event is also an opportunity to showcase what makes our region so unique. While Augusta-Margaret River is internationally renowned for its world-class waves, there's so much more to discover - from our spectacular coastline and beaches to ancient forests, mountain bike trails, local produce and the many towns and communities that make up our region.

As you travel through Wadandi Boodja, we ask that you respect Country, tread lightly and help us care for this special place.

Best of luck to all the competitors. I hope you enjoy the competition, embrace the experience and make some great memories along the way. And perhaps we'll see some of you back here in years to come, competing on the world stage as part of the WSL Championship Tour.

Julia Jean-Rice, Shire President | Shire of Augusta Margaret River

EXPLORE THE REGION

Local favourites close to the action at Prevelly, and a few worth the drive.

The region

This coastal corner of Australia has been shaped over millions of years by ancient geology, long isolation and a changing climate. Its remarkable landscapes support native plants and wildlife, many found nowhere else on Earth. Sitting on the southwest edge of the continent and exposed to the Roaring Forties, the coastline gets a constant run of high-energy swells from the Indian Ocean, helping create the powerful waves the region is known for.

White Elephant Beach Café, Gnarabup

Brekkie burgers and smashed pumpkin with views over Gnarabup Beach. Bring your bathers.

Hamelin Bay Beach, Hamelin Bay

A sheltered bay with white sand, turquoise waters, plenty of marine life and stunning coastal walks.

Jewel Cave, Augusta

WA's largest show cave. Stunning crystal formations offer a captivating journey into the region's geological wonders.

Drift Café, Margaret River

Seasonal, local breakfasts and a silky latte. The Egg Florentine is the crowd favourite.

Cape Leeuwin Lighthouse, Augusta

This iconic lighthouse stands at Australia's most south-westerly point and is the tallest on mainland Australia.

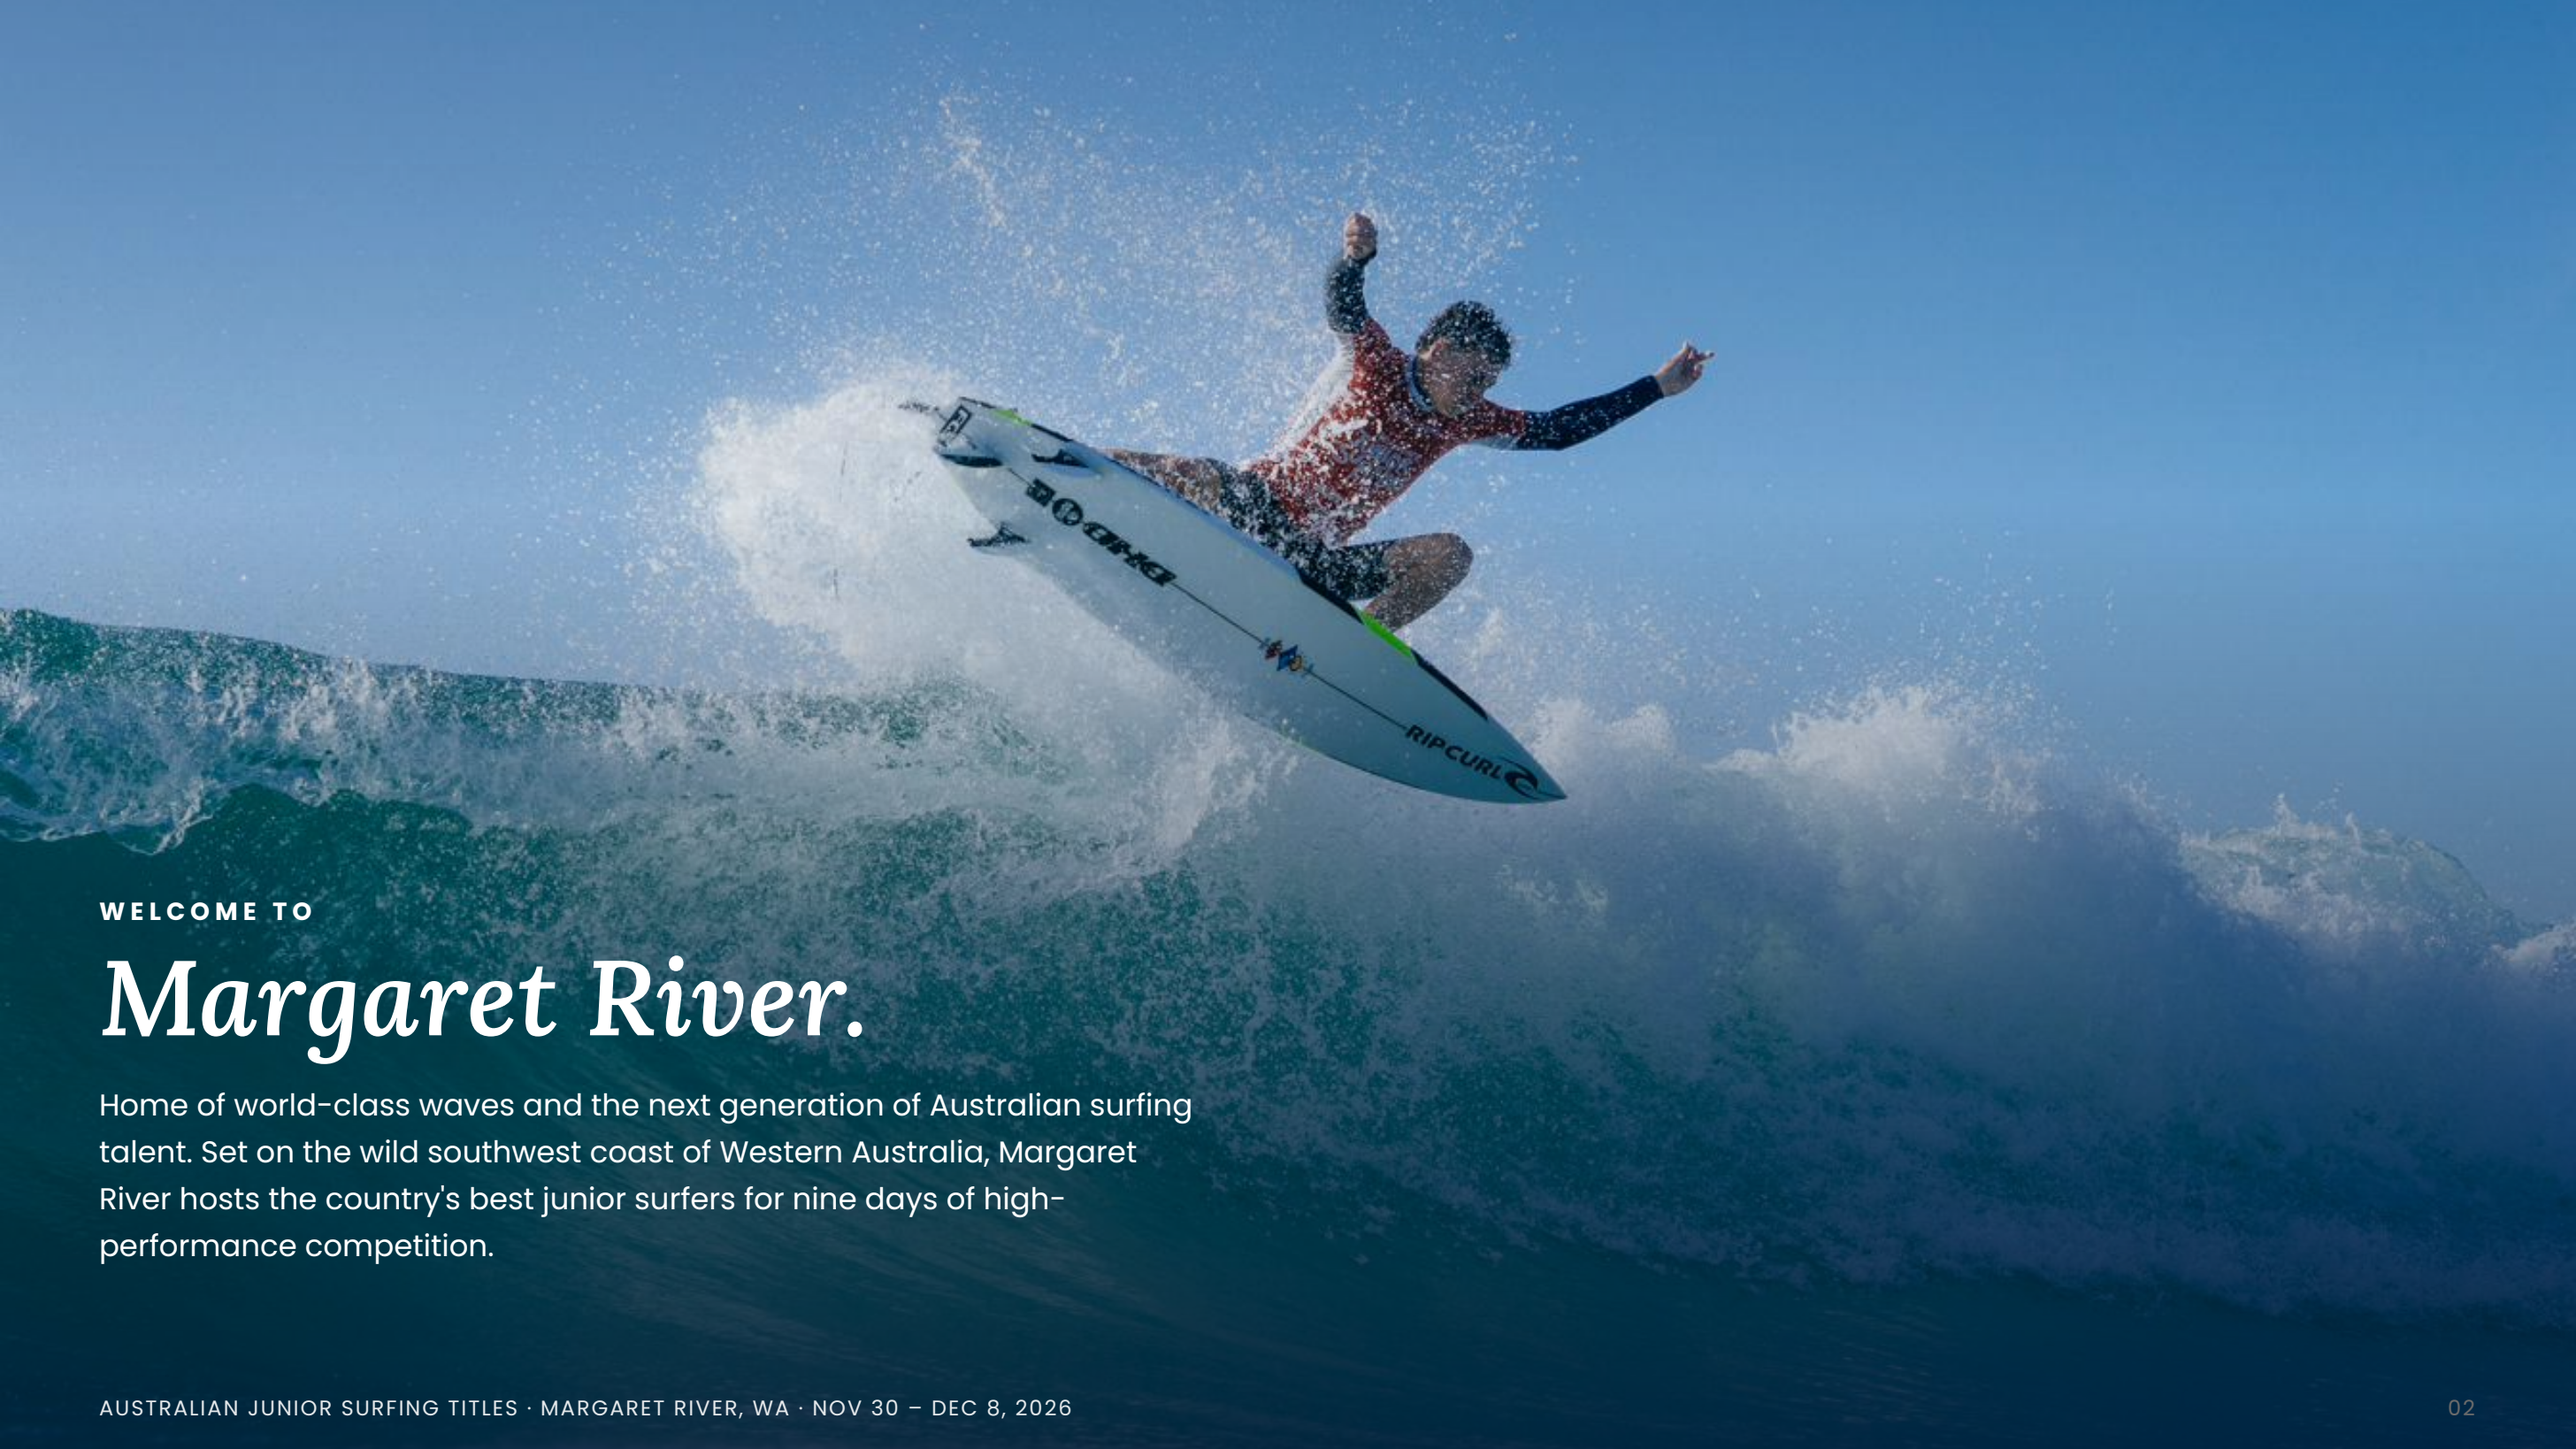

Temper Temper Fine Choclate, Margaret River

An amazing range of chocolate, plus a giant chocolate fountain, frozen yoghurt, soft serve and all the toppings.

TRAVEL & ACCOMMODATION

Getting There & Where to Stay.

Getting There

Margaret River sits approximately 3 hours' drive southwest of Perth Airport (around 270km). All major domestic airlines fly into Perth daily, with connections from most east-coast capitals in roughly 3–5 hours.

Transport during competition week is the responsibility of each State team. All major rental car companies operate from Perth Domestic Airport.

Where to Stay

Margaret River is a charming town with accommodation to suit every budget — from holiday apartments and cabins to camping and premium stays, set among forests, wineries and pristine coastline.
